the MICHIGAN CONSTITUTION as well as the UNITED STATES CONSTITUTION make it clear that the judges are not to make the law but rather interpret the law. why is the MICHIGAN SUPREME COURT even considering taking steps that would effectively change the law by denying MICHIGAN asbestos disease victims their right to a jury trial?

the crisis in the state of MICHIGAN regarding asbestos litigation is the fact that big business, corporations, the asbestos industry and law firms like DICKINSON WRIGHT feel free to try to take working people lawsuits out of court and away from the juries. PLEASE DO SOMETHING FOR THE PEOPLE \_A TAX PAYER AND A PERSON WHO VOTES.
